

Basic Birding Class Ellensburg

Spring 2025 Birding Experience

Kevin O'Malley will be teaching a birding basics class for beginning & advancing birders wanting to further their knowledge about birding. Class will focus on bird language, behavior, habitats, nests, skulls & bird tracks. You will learn to talk about what birds you are seeing and hearing.

Binoculars are not mandatory. Small class size of 8

April 19th Saturday 8:30 am- 11:30 am
