

TRACKING BIRDS

In the Skagit Valley

A ONE-DAY FIELD COURSE
INTERPRETING BIRD BEHAVIOR &
THE SIGN THEY LEAVE BEHIND

Tracks & Sign

Learn to identify birds to species based on their tracks and sign.

Behavior

Learn to interpret behaviors such as feeding, roosting, kill sites, and much more.

Ecological Connections

Learn how birds utilize landscape features and interact with other species of plants and animals.

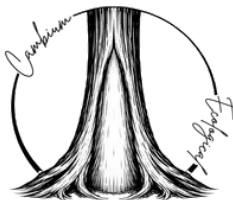

IMPROVE YOUR SKILL SETS OF BOTH BIRDING AND TRACKING
AND LEARN TO SEE WHAT OTHERS MISS ON THEIR BIRD WALKS.

Led By:

Mark Thompson

&

Kevin O'Malley
